Forget doctors and lawyers.
My kind of man hangs at
hardware store and can
build things with his hands.
I love getting fucked by my
carpenter husband. My hus-
band's sweat gets me wet.
It shows me he's earned his
money that day. I love my
men to smell natural. Soap
should be his only cologne.
I love fucking at my hus-
band's workplace. It feels
natural to get naked and
nasty there. Sex is dirty only
when you are doing it right,
and my carpenter husband
has all the right tools
to nail me.

Cierra is new to the MILF scene and we hope she stays around forever. One look at those absolutely perky boobs is enough to arouse any sane man. When we happened upon this untouched beauty, she was working at a lingerie store and her line was always a mile long. She seemed so demure and innocent but once she stripped and posed for our cameras, her buried sexual energy came rising to the surface.

Enjoy this young hottie.

Tegan has always had a problem being faithful to her man. You see, he works in a different country and is gone for months at a time. Instead of waiting for him to return, she turns to Eden for love. She knows what she's doing is wrong, but every time her new friend stretches her tight gash and fills her holes with her tongue, Tegan forgets her indiscretions. But that feeling doesn't last long as the two towel off and go at it until they fall asleep.

Good girls aren't supposed to spread their pussies for you men. But since you're looking at me, you can see I'm not a good girl. Good girls are studying at the library, baking red velvet cakes and knitting grandma a scarf. Nasty girls are spreading it for you in this magazine, teasing you with their clean-shaven pussies and offering up their tight ass holes for you to worship. Those are the girls you want, don't you?

Don't tell my husband, but I also have a thing for bodybuilders with big cocks, and have the pictures to prove it. My best friend took the pictures to your magazine and some shows me doing things with my tongue that are probably illegal in some places. Just because I walk around naked doesn't mean I'm a slut. I'm just comfortable with my body and my sexuality. And I show them both off as much as I can.

marketing the wild

Southern Florida is the international crossroads of Latin America and the States, It's where beautiful women come hot from the tropics to seduce and marry rich men. Many start at the bottom and wind up on top. Such as the case of Miss Perez, who wasn't hired for her filing skills. Hundreds of other applicants had those. In this business atmosphere, you hire a secretary to be hot. She's your company's first impression. And if she makes men's wiener's hard, they'll come back, like moths to a flame.

They'll tell you that and then fantasize about fucking her brains out right there at her desk.

They'll fantasize about sucking her and eating her, and coming all over her sweet naked body. Then they'll picture her touching herself, fingering her pussy, and fucking herself with the great, hard vibrator. She makes your meek company sexy by association.

Some men are luckier. Some men will make her lick her lips and say, "yes," when they ask her out. They live out their fantasies with her, and word gets around town. There is no better marketing plan one can devise than Miss Perez. Soon everyone wants to get in bed with your company.

– Michael in Miami

To the editor,

I don't know if I made the correct career move six months ago. I left my secure mailman job to test new driver's for the Pennsylvania DMV. Little did I know it would turn out to be a perfect job for me. Andrea was back for her third try. She almost passed on her second try, but had a real hard time parallel parking so I couldn't pass her. Besides, she's always a hoot behind the wheel.

SUMMER-LICIOUS,

I've always loved a good costume, especially in the bedroom. When it was time to get down to business, nothing turns my man on more than playing some good old lingerie dress-up. One night he showed up dressed like a detective from the Forties. He'd heard I'd been an extremely naughty girl and he had to investigate and get to the bottom of my bottom. I call him my own private dick.

Today, we're on the streets of Harrisburg, when she suddenly slams on the brakes almost sending me flying right through the windshield and into the back of the police car she'd been tailgating for the last two blocks. I pushed away from the dashboard and looked over at the 27-year-old. "Andrea, you have to be at least one car length between you and the vehicle in front!" I politely scolded. "We went over that when you rear-ended the minivan in your last test."

Andrea was a twice-divorced, hot blonde in a tight white top and short black skirt who never had to learn how to drive. She once told me that her parents took her everywhere, and then her husbands would do all the driving. There was no need for her to learn. But now, on her own for the first time, it

was a necessity. She blushed under her tan, gripping the steering wheel like it was the neck of a mean girl. She turned her head and looked at me, smiling sorrowfully. "I just can't seem to get the hang of it, Jamie."

We get off the surface streets and onto Interstate 81. Barely a mile into it, a truck horn exploded behind us. Andrea screamed, and I waved the two-ton around us. Andrea pulled her well-manicured fingers off of the wheel and smacked her hands down onto

ing on them. Not knowing what to say, I blurted out "Please, just pull off at the next exit and go into that truck stop," I said pointing to the tall signs off the side of the road. "Drive to the back parking lot and we'll figure things out. Okay?" I said.

Andrea grinned at me and floored the vehicle towards the exit. She barely made the long right turn to the truck stop's parking lot. She skidded to a stop and turned off the car and looked at me, the seat belt splitting her large twin boobs down the middle.

She glanced over at me and said, "I have a confession to make, Jamie," Andrea whispered. "I think I'm wet for another reason besides fright."

She shifted the gearshift into Park, and she grabbed my hand and plunged it between her legs, squealing as my fingertips squished up against her soft, springy dampness.

"You do this to me, Jamie!" she gushed. "I have a total crush on you."

I stared at her while feeling her warm juice wetness. My dipstick tingling with unreasonable excitement

in my pants. I was much, much older than her. I had professional standards to maintain. Our job was to test her on the road, not the ropes. But none of that mattered anymore, not with her lush boobies bobbing up and down on her heaving chest, her bare, sun bronze limbs in full view, and her moist pussy pulsing against my fingers, my rubbing fingers.

"Oh, yes," Jessica moaned, her eyelashes fluttering, "That feels so good!"

Where we had stopped, there was no one around,

her bare fleshy thighs, riding her short skirt up her legs even more.

"Oh jeez," she moaned suddenly, looking down. "I can't believe that I just wet myself!"

The jaded and jittery veterans of the DMV driver instructor academy teach us to be prepared for anything when testing wanna-be motorists, but this had to be a first. I glanced in between Andrea's long smooth legs. Her white cotton panties were now peeking out and there was a definite wet spot show-

*Andrea grinned at me and floored the vehicle towards the exit.
She barely made the long right turn to the truck stop's parking lot.
She skidded to a stop and turned off the car and looked at me...*

no cops, nor DMV officials – no wife. I rubbed faster, excitedly petting her cotton-clad pussy. She grabbed my head and kissed me on the mouth. Her lips were warm and wet and soft as her pussy, her breath bubble gum fresh in my mouth. She smeared my face with strawberry lipstick, clawing at my gray hair, undulating her pussy against my experienced fingers. My cock was a vibrating rod of unabashed sensation in my pants.

Andrea let go of my head, shrugged off her seat belt and peeled off her top. Her conical boobs bounced out into the open, tanned as the rest of her, tipped by puffy, succulent nipples. She gripped her tits and squeezed them, plucking at her nipples. She thrust her pussy harder against my fingers, urgently trying to get herself off.

What kind of instructor would I be if I gave short shrift to such a rich learning opportunity such as this? The one of kind of instructor, that's what kind. And I wanted to keep the little vixen coming back for more. So we scrambled over onto the back seat, so I could really demonstrate the width and depth of my knowledge. She flopped down on her back and I sprawled on top of her, wrapping up her boobs and plunging her nipples into my mouth. She squirmed and moaned with delight as I groped her breasts, and sucked on her rigid little buds. She wiggled her panties down and then grabbed onto my cock. It was my turn to squeal, jolted by Andrea's hot hands and clutching fingers on my ultra sensitive stick shifter.

She pulled my head, and my ear, closer to her puckered mouth, whispering that she wanted me to fuck her, now. She tighten her grip around my rod and guided it into her steam pot. Like all hormonally injected divorcees, she was impetuous and quick off the mark. She pulled my dick through her pussy lips and plunged my shaft into her tunnel before I could even react to her pleadings. She was pure velvet wet-

ness. We moaned in each other's faces. Gripping her boobs and tonguing her slippery, kitten pink tongue, I felt my stick shifting back and forth in her pussy.

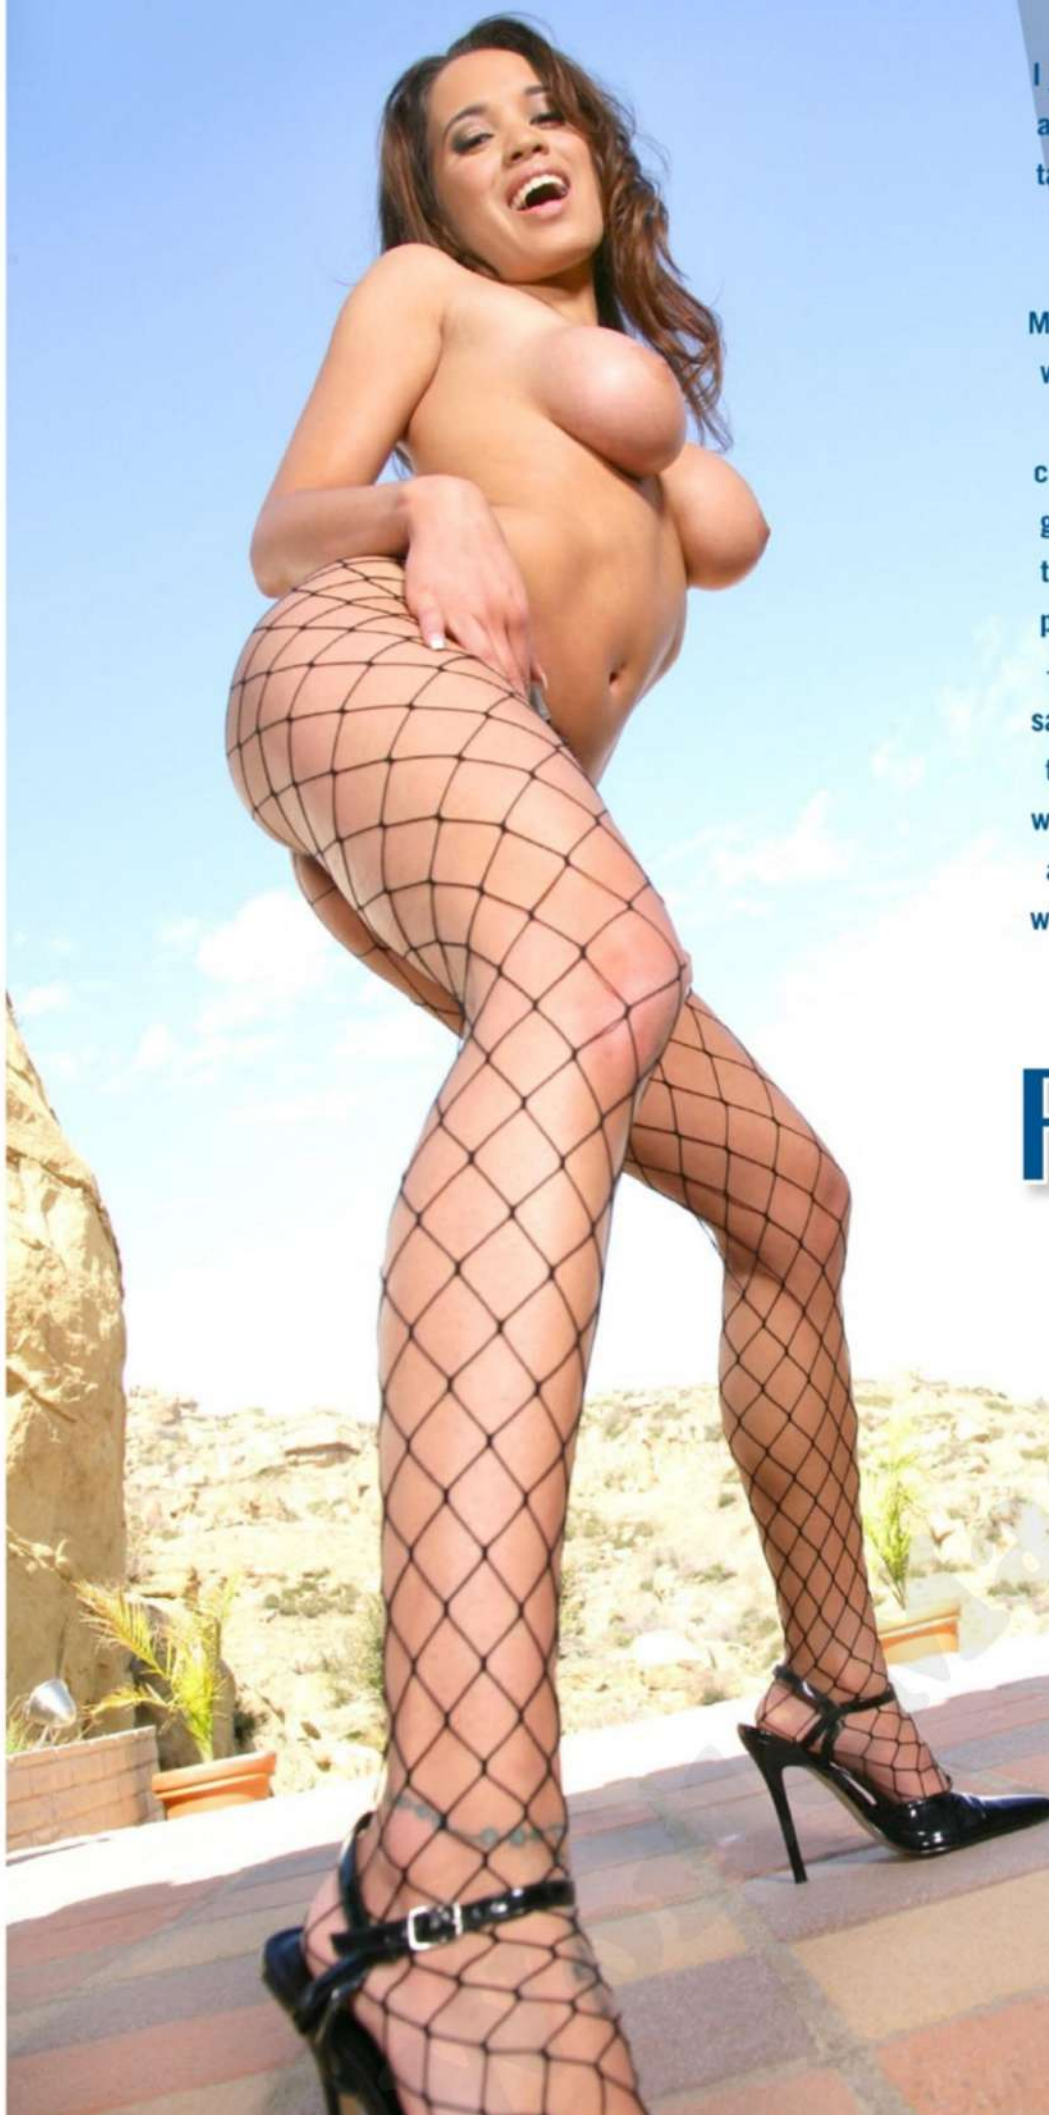

She wrapped her legs around my waist and dug her nails into my back as I hit third gear, then fourth. I was bathed in sweat and her sweetness, pounding her tight pussy. She screamed, quivered wildly with girly orgasm beneath me, and gushed against my thrusting loins. I rocked and cocked her in fifth gear, worried only slightly that the pussy alarm I set off would attract passersby.

But I worried no more, as my flapping balls suddenly tightened and tingled, and my piston pounded hard into Andrea's pussy. I moaned I was cumming in her erotically scrunched up face. I couldn't get all the words out, just my jolting seminal blasts all over her flat tummy and watched it pool in her navel.

We tried to clean up as best we could and got back on the freeway, This time, I was driving. Andrea keeps failing her road tests with the DMV, but never with me. I give her an A+.

– Jamie K., keeping our roads safe

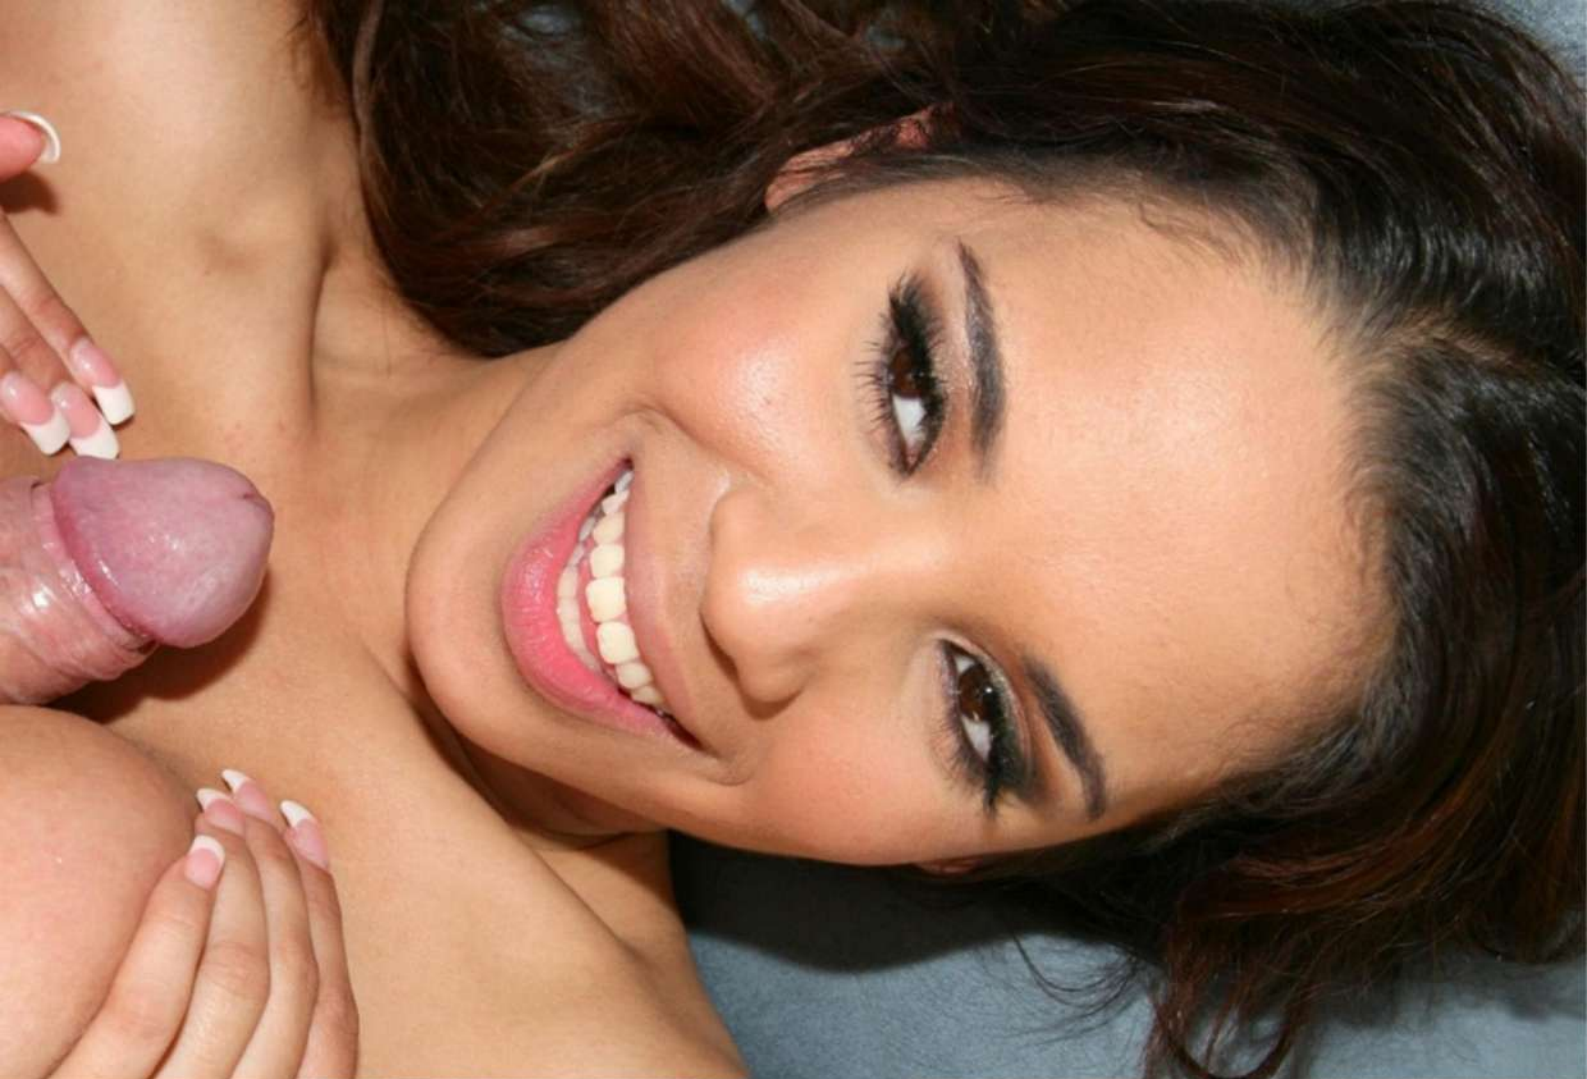

I just love being naked and having my picture taken. And I get really excited when we're doing a video, too.

Men become powerless when a naked woman is before them. We control everything. We got the mouth, we got the boobs, we got the pussy, and we got the – cum on everybody, say it with me – we got the ASS. That means we control it all just by allowing you to have what we give. And then we take as much as we can.

I just love my outdoor lifestyle here in Florida. You have the sunshine, you can always wear next to nothing, and you're always close to a beach. The only thing that sucks are the hurricanes. When I throw out the garbage naked, the men around here don't mind. But the women here are always complaining about it. I love beer, chocolate, country music, tattoos, mixed martial arts, pickup trucks, and sex with bad boys.

my wife is the wildest

Last month I received an invitation to our neighbor's pool party. It was supposed to be quite a blast with lotsa new people and hot babes. Yeah, as if that ever happens in real life. Evan and Briel were the neighbors and have lived next to me for about six years. We hung out once in a while and they've been over to my place for drinks a few times. They were pretty cool and I knew Briel had some hot girlfriends, so my hopes were high for a hook up or two (at once).

It was a pretty hot Saturday and I was returning from a workout at the gym. As I turned the corner onto our street, it was full of cars. I park in my driveway and drop my stuff in the house. I freshen up and within a half hour I'm out the door with a bottle of wine in hand. I hear laughter and noise and head around the side of their house to the back yard to see the party's already started. I open the back gate and see Briel running across the pool being chased by Evan. I walk in and set my bottle by the bar.

I see a couple twenty-something girls at the pool playing with one another in the water, their nipples getting harder with each cold splash of water that hits their bodies. I can't tear my eyes from the two women frolicking in the water. Evan slows down enough to greet me. "Glad you could drop by. Grab a beer and join the fun." he says. I smile and look around the pool area and see about a dozen or so people, all relatively attractive and a nice mix of all colors. A good sign, I thought, so I walk over to where the ladies playing.

I look back towards Briel who's settled down in a pool chair with a girlfriend. Evan said her name is Doreen. He motions me over to say hello to Briel and Doreen. I saunter over and say hello. Briel stands and greets me with a big hug and introduces me to Doreen. Evan sees their glasses have emptied and asks if they'd like them refilled. They answer 'yes' in unison. Evan splits for the bar and I'm left with the two ladies in their skimpy string bikinis.

Briel takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Doreen wild.

Briel tells Doreen to join her taking a dive off the board. They go over, Briel bounces and jumps in followed by Doreen. They surface and swim to the other end of the pool, which is where we were originally standing. They climb out of the pool and their bikini tops fall off due to the weight of the water. I can't help looking at their boobs. Briel's are medium sized and pert, while Doreen's are larger with large nipples. Both are great looking ladies with great bodies. They make no effort to cover up, so they gather their tops and throw them on their chairs.

Evan shows up with drinks in hand, sees they're topless and promptly shoves the cold glasses onto their nipples. They jump back, but he has accomplished his purpose. Their nipples get hard immediately. The two ladies playfully tweak each others nipples and playful antics ensue. Doreen pulls the string on Briel's bottoms and Briel grabs Doreen's string and pulls it. So now both their bottoms are hanging off and they're playing right in front of us guys. Evan and I egg them on to kiss and feel each other up, which they promptly do.

I decide to lower the backs of their pool chairs and position them close together. Evan eases the ladies onto the chairs and Doreen wastes no time diving into Briel's love box,

teasing her clit with her tongue as she jams four fingers into Briel's tight pussy. Briel squirms and wiggles all over the chairs not holding back her squeals of pleasure as Doreen works her muff diving expertise on Briel. Briel flips her legs over her head and Doreen takes the cue, slipping her fingers deep inside her pussy. It doesn't take long before Doreen's finger fucking action causes Briel to cum.

Once she recovers, Briel kisses Doreen passionately, an obvious thank you for a great orgasm. Briel returns the favor wholeheartedly, diving in between Doreen's legs. Briel takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Doreen wild. Alternating darting her tongue in and out of Doreen's pussy and quick flicks on her clit, Briel slips a couple fingers into Doreen's love box causing her to go over the deep end.

It is only a matter of a few minutes before Doreen is moaning and grinding her hips into Briel's face with the power of her orgasm. Briel smiles wickedly after climax. Looking up at the happy crowd surrounding them, she says "I think that was the fastest I have ever been able to get a girl to cum."

"Okay everyone, show's over. There's more food and drink in

As he fucked her, Briel suddenly let out a deep grunt and a stream of wetness squirted out over Evan's cock.

the kitchen.” Evan yells above the applause. The crowd disperses. I walk into the house and go from room to room and mumble hello to different people who have gathered inside. I settle in a small, cozy room with Graham, our neighbor and begin to ask him if he saw what went on outside. He said he was inside the whole time but had heard that Evan and Briel were quite liberal. I laughed and agreed.

Briel now enters the room wrapped only in a beach towel. She makes small talk with us in the room about how she and Evan have fucked in every room but this one. Evan now enters and they both sit on the sofa. They then turn to each other. Evan asks Briel if she is ready to christen this room and she nods with a grin. Briel drops her towel and slowly drops to her knees, unzips Evan's pants, pulls out his cock and begins to give his cock a little oral attention.

Briel gobbles up Evan's cock, it is obvious that she is genuinely enjoying the taste of his cock. Not bothered by the audience in the room, she continues sucking him as he gets up to take off his pants. With Evan's prick now ready for action, he picks up Briel and places her on the sofa so he can return the oral loving. The sounds of sex echo throughout the house as the couple's sucking becomes increas-

ingly vocal. More people are now standing in the doorway watching the action, but I have a ringside seat. Evan and Briel are now sixty-nining with him on top and he's jamming his rod into her mouth. She grabs his balls and lightly twists the sac making him groan.

He shoves a few fingers into her pussy as he sucking and pulling on her clit with his mouth. Evan then spread Briel's legs apart and I could see the glistening wetness. By now, his cock was huge and erect. He straightens up a bit, and with his arms underneath her legs turns her around, and begins a slow insertion into her pussy. Briel arched her back immediately and moaned as I've never heard her moan. Each time Evan pulled back his cock, it was glistening wet. Her facial contortions clearly indicated her pussy was being stretched wide and she was obviously enjoying it.

I estimated his cock to be close to ten inches and several inches around. Briel's face was contorted and her head moved side to side. She was in sheer, sexual heaven. Evan squeezed Briel's breasts and pinched her nipples. Evan grunted and fucked her hard. Briel's legs were straight up and as he fucked her, she cried out each time his massive cock entered. He again grabbed her breasts a little roughly but she seemed to enjoy it.

After several minutes, she arched her back and let out a loud moan. She almost appeared in pain and as Evan thrust his large cock into her, Briel again let out a loud groan. He grabbed a breast and fucked her hard enough to make slapping sounds. She continued to move her head back and forth in ecstasy. His cock became shiny in her wetness. He slid his cock back into Briel's stretched open pussy and she appeared even more turned on. As he fucked her, Briel suddenly let out a deep grunt and a stream of wetness squirted out over Evan's cock.

With a few more deep thrusts of his own, Evan pulled out and squirted long pearly ropes of man-juice all over her stomach, with much of it ending up on the carpet. Evan throws a leg over Briel's chest and lines up his cock with her mouth. She raises her head and begins to lick it, searching out the remaining cum. She puckers her lips and touches the tip of his cock and sucks in whatever was left inside his long shaft.

The room got hot and damp and some people are loosening their clothes. I sit quietly and watch keeping my hard-on to myself. They both get up, grab their towels and head off to the bathroom. The crowd disperses and I go home and take care of my business, waiting for their next invitation.

A woman with long, dark, wavy hair is posing for a magazine advertisement. She is nude, with her hands on her hips, looking over her shoulder at the camera. She is wearing a silver bracelet on her right wrist and a ring on her right ring finger. The background is a plain, light-colored wall.

I have to have extended foreplay before sex. A lot of it. Not only does it get me in the mood, but it feels really good, not only for me, but for my partner also. I want my boobs touched and my nipples sucked on, before any cock gets into my pussy or ass. That is never too much to ask of my lovers. Then, when I'm warmed up enough, watch out, my libido switches into high gear and my sex drive can't be turned off.
